## CLARUS HEALTHCARE

Healthboard

A photograph of a modern office interior with a large, light-colored glassboard mounted on a wall. The room features a desk, a chair, and a vase of flowers.

go! Mobile

A photograph of a hospital hallway with a mobile glassboard on a stand. The board is positioned in the center of the hallway, and the background shows hospital beds and a staircase.

Glassboard Float & Depth

A photograph of a clinical setting with a glassboard mounted on a wall. The board displays handwritten notes, including "Primary Doctor: Dr. WELLDAMS" and "Name: Tracy McLane".

Transition

A photograph of a kitchen area with a glassboard mounted on a wall. The board displays a diagram of a person's body with arrows indicating movement or transition. The kitchen includes a sink, a countertop, and a lamp.

Custom graphics using ColorDrop high-resolution printing

# HEALTHBOARD

by Clarus

Clarus Healthboard is an innovative glass dry erase board designed specifically for the demanding needs of today's healthcare industry. Healthboard is offered with Transition removable graphic panels or ColorDrop print technology – a proprietary printing system exclusively by Clarus.

## Healthboard ColorDrop

Customize your Clarus Healthboard to fit any environment and choose from over 50 templates for the perfect Glassboard print, or use your own custom artwork, all printed using Clarus ColorDrop high-resolution printing technology that prints directly to your Healthboard.

## Transition

A proprietary removable graphic system for your Healthboard, designed to interchange graphics, charts and other dynamic information as needed.

# go! Mobile

go! Imagine. go! Design. go! Collaborate.

Meet go! Mobile, the most design friendly collaborative board ever.

go! Mobile allows you the freedom to creatively express, design and inspire your own way. Create an original statement with go! Mobile, just as imaginative as you.
