Infection Control | Reduced Maintenance Costs | Improved Patient Satisfaction Scores

- Custom graphics are printed directly to the Healthboard with impeccable detail using Clarus ColorDrop proprietary technology
- The non-porous writing surface of Clarus Glass inhibits the growth of bacteria, creating a clean surface that can be easily sanitized with any cleaning solution
- Clarus Healthboards never stain or ghost, always keeping sensitive patient information safe and secure from patient to patient. Healthboard will last longer than a lifetime, resulting in significant cost savings
